CONDITIONS OF SALE.

1.—The highest bidder to be the buyer, and should any dispute arise between two or more bidders, the lot in dispute shall, at the option of the auctioneer, be immediately put up again and re-sold.

2.—No person to advance less than 1s. at each bidding ; above two pounds, 2s ; and so on in proportion ; nor retract a bidding.

3.—The purchasers to give in their names and places of abode, and to pay down 5s. in the pound, as a deposit, and in part-payment for each lot.

4.—The lots to be paid for and taken away, subject to all faults and errors of description, at the buyer's expense, *before 4 o'clock on Friday, the 12th inst.*, and the remainder of the purchase-money to be paid to the auctioneer (on or before delivery), who will not guarantee the authenticity of any lot. **ANY DAMAGE CAUSED BY REMOVAL OR OTHERWISE** *must be made good by the persons committing the same, principals being considered responsible for the acts of their servants* No goods will be delivered until the 12th inst., unless paid for on the fall of the hammer.

5.—No lots will be transferred, nor will any portion of a purchaser's bill be delivered without payment of the entire amount.

LASTLY.—Upon failure of complying with the above conditions, the money deposited as part-payment shall be forfeited, the lot or lots remaining uncleared after the time specified shall be re-sold by private or public sale, and the deficiency (if any) by such second sale, together with all charges attending the same, shall be immediately made good by the defaulter or defaulters at the previous sale.

N.B.—The auctioneer reserves the right to withdraw any lot or lots previous to the auction.

END OF SALE.

Index

1. The first part of the book is devoted to a general survey of the subject. It is divided into three main sections: (a) the history of the subject, (b) the present state of the subject, and (c) the future of the subject. The first section is the most important, as it gives a clear and concise account of the progress of the subject from its earliest beginnings to the present time. The second section is also of great importance, as it gives a clear and concise account of the present state of the subject, and the third section is of great importance, as it gives a clear and concise account of the future of the subject.

2. The second part of the book is devoted to a detailed account of the subject. It is divided into two main sections: (a) the history of the subject, and (b) the present state of the subject. The first section is the most important, as it gives a clear and concise account of the progress of the subject from its earliest beginnings to the present time. The second section is also of great importance, as it gives a clear and concise account of the present state of the subject, and the third section is of great importance, as it gives a clear and concise account of the future of the subject.

3. The third part of the book is devoted to a detailed account of the subject. It is divided into two main sections: (a) the history of the subject, and (b) the present state of the subject. The first section is the most important, as it gives a clear and concise account of the progress of the subject from its earliest beginnings to the present time. The second section is also of great importance, as it gives a clear and concise account of the present state of the subject, and the third section is of great importance, as it gives a clear and concise account of the future of the subject.

4. The fourth part of the book is devoted to a detailed account of the subject. It is divided into two main sections: (a) the history of the subject, and (b) the present state of the subject. The first section is the most important, as it gives a clear and concise account of the progress of the subject from its earliest beginnings to the present time. The second section is also of great importance, as it gives a clear and concise account of the present state of the subject, and the third section is of great importance, as it gives a clear and concise account of the future of the subject.
